MINISTRY OF COMMERCE ANNOUNCEMENT NO. 46 OF 2025: PUBLICATION OF THE PRELIMINARY DETERMINATION OF THE ANTIDUMPING INVESTIGATION ON IMPORTS OF RELATED PORK AND PORK BY-PRODUCTS ORIGINATING FROM THE EUROPEAN UNION

- **Issuing Authority:** Trade Remedy Investigation Bureau
- **Announcement Number:** Ministry of Commerce Announcement No. 46 of 2025
- **Date of Issue:** September 5, 2025

According to the **Anti-Dumping Regulations of the People's Republic of China** (hereinafter referred to as the "Anti-Dumping Regulations"), on June 17, 2024, the Ministry of Commerce (hereinafter referred to as the "investigating authority") issued **Announcement No. 23 of 2024**, deciding to initiate an antidumping investigation on imports of related pork and pork by-products originating from the European Union (hereinafter referred to as the "investigated products").

The investigating authority examined whether dumping existed and its margin, whether the investigated products caused damage to the domestic industry and the extent of such damage, as well as the causal relationship between dumping and the damage. Based on the investigation results and **Article 24 of the Anti-Dumping Regulations**, the investigating authority made a **preliminary determination** (see Annex 1). The relevant matters are hereby announced as follows:

1. Preliminary Determination

The investigating authority preliminarily concluded that imports of related pork and pork by-products originating from the European Union are being dumped, causing material injury to the domestic industry, and that there is a causal relationship between the dumping and the material injury.

2. Imposition of a Security Deposit

In accordance with **Articles 28 and 29 of the Anti-Dumping Regulations**, the investigating authority has decided to apply provisional antidumping measures in the form of a security deposit. Starting from September 10, 2025, importers of the investigated products shall provide the corresponding security deposit to the

Customs of the People's Republic of China according to the deposit rates determined for each company in this preliminary determination.

Description of the Investigated Products

Scope of Investigation: Imports of related pork and pork by-products originating from the European Union.

Name of Investigated Products (direct translation from Chinese): Related pork and pork by-products

English Name: Certain pork and pig by-products

Product Description: The investigated products are products derived from the slaughter and processing of pigs, including fresh, chilled, or frozen pork; fresh, chilled, or frozen edible offal of pigs; fresh, chilled, frozen, dried, smoked, salted or brined fatback, pork fat, or pork not containing lean meat extracted by any method; and fresh, chilled, frozen, dried, smoked, salted or brined pig intestines, bladders, and stomachs, either whole or cut.

Main Use: Suitable for human consumption.

These products are classified under the **Customs Import and Export Tariff of the People's Republic of China** under the following HS codes:

02031110, 02031190, 02031200, 02031900, 02032110, 02032190, 02032200, 02032900, 02063000, 02064100, 02064900, 02091000, 05040011, 05040014, 05040029, 05040090.
